CROSSROADS
are where we
FIND GOD

God deals with unbelief.

1. Thoughts and actions are connected to *faith in God* (or the lack of it).
2. God engages unbelief at each juncture.
3. **Jesus is victorious precisely where we fail.**

Our journey of faith is *in process*.

At each juncture, God is engaged.

Good Question:

*Do we “deal” with God (as Cain)?
Or do we let him deal with us on the
basis of faith in Christ?*
